

RCV PTA Meeting Minutes
03/03/2020

Meeting started 7:04

Rachel passed out meeting minutes via email. Crystal moved to approve and Kaitlin 2nd it.

Mr. Burns and Ms. Carr wanted to address the concerns of the flu and coronavirus. They bought hand sanitizer for outside the cafeteria. Cleaning staff here on the weekends, focusing on wiping down desks and sanitizing. Nothing ramping around the school- not a overwhelming amount of kids sick.

Rachel asked if anyone had any questions to ask Mr. Burns and Ms. Carr. One parent received a phone call from the nurse for her daughter who wasn't actually sick.

Staffing allocations yet? Rachel will ask. Crystal asked what the K count is. It is currently 17.

People have posted on FB this skull breaker challenge and Rachel thinks it's different than other ones. Three kids, 2 friends trick one into jumping and while that kid has jumped the other 2 will kick the middle kids legs out and the kid falls on their back. This has lead to concussions, etc. Rachel asked if there are any approaches to talk to our kids about this. Parents should be aware and possibly talked to with the kids. It was suggested that either Mr. Burns or Rachel suggest giving a heads up to parents and allowing the parents to decide how they should approach it with their children. Rachel sending email to parents might be a better approach.

Rachel asked Mr. Burns how they address with internet safety. There are lesson plans for teachers with different series for each grade. Internet readiness and safety. Common sense media rates games, etc. Michelle mentioned NationalOnlineSafety.com as a good resource for parental controls on social media apps.

Crystal as -What is the phone policy? Trisha said there is a paper to fill out.

Committee updates-

Trisha- We are winding down. Two more activities, carnival and family fun night only incoming money. She doesn't think we will hit the negative balance of \$3k for the year. We run at a negative balance to support our PTA.

Valentines parties, community service, MAP testing, yearbook,

Michelle - Fundraising. Made 140 MOD pizza

Urban BBQ- unknown profit

Panera on the 23rd of March 5-9

Next Month Silver Diner

Hoping to do Villa Maya one more time.

Carnival planning and Kaitlyn-book fair is the 13-19, setting up Thursday before the fair. Family fun night Tuesday night. Will need evening hour volunteers. E-wallet will happen again. Sign up genius on PTA website already.

Crystal- social activities. Registration opens tomorrow and ends on the 13th. Do not send a kid to a program they are not registered for. Send Crystal an email to see if they're willing to do a late registration. Kids are allowed to walk home if it is on the registration.

Spring family fun night, last day to preorder tickets is the 9th. K-1 parents running bingo night.

Community service night- 150+ people came out. 650 bags of food packaged up for school 29 fleece blankets. 33 eagles came in, cards and snack packs. Trash bags crocheted into a blanket. Enough bags to make 2-3 blankets. Earned 20 disney tickets. How to spend them. Gave away 4 of them so there are 16 left. Trisha suggested giving 4 to Rachel for her hard work. 1 idea is teacher raffle to get teacher participation, silent auction, Rachel, raffle through PTA? Carnival should have more parent and middle school volunteers. The hope is to get more teachers to attend. Not sure if there is an expiration on the tickets, most like the end of the year.

Crystal made a motion for tickets. Approved. WE ALL WANT RACHEL TO GET 4 TICKETS!

All officers leaving. Nominating committee that has 3 people to identify candidates. Need to find President, treasurer, VP- fundraising and VP social, and Probably better to ask younger kids parents- Kindergarten and 1st grade. It's up to the nominating committee to come up with how to proceed. Talking to people to ask if they're interested or know anyone interested. Have one rep from K-1, one from 2-3 and 4-5. Speak about the value. Jessie Quintero volunteered to be on the nominating committee, Kaitlyn and Kara Fisher. Motion to approve nomination of the 3 committee by Crystal. Michelle 2nd, approved. April 21 the deadline. Rachel will send out the list of position and responsibilities. Once we have people to fill there will be a voting. Tiffany volunteered for Halloween and Valentine day bags. Crystal doing after school activities. Rachel doing Cultural Arts and Technology

Meeting adjourned 8:06
